

EXHIBIT F
GREEN LAKE PROJECT
GENERAL DESIGN DRAWINGS

Historic design drawings are currently being revised to be consistent with current FERC standards under Section 4.39 and 4.41 (g). These drawings will be included in the Final License Application.

Exhibit F drawings are provided for federal use only and are not included for public review of this license application. This material is considered Critical Energy Infrastructure Information (CEII) particularly with regard to proposed project structures, the incapacity or destruction of which would affect security, economic security, public health, or safety. Members of the public may obtain non-public or privileged information by submitting a Freedom of Information Act (FOIA) request. See www.ferc.gov/legal/ceii-foia.asp for more information.
